## Report of Superintendent

---

*To the School Board and Citizens of Jackson:*

I cannot, of course, make a very complete report on the condition of your schools because of my brief acquaintance with them. Mr. Fuller referred last year to the unusually small school. The same observation could be made this year. I have reason to believe, however, that there will be more pupils next year.

In the upper grades Miss Priscilla DeCoster, a graduate of Gorham Normal School 1942, takes the place of Mr. Hawkins, and is doing good work for a teacher just out of Normal School. In Miss Lord you have an excellent primary teacher and the two teachers are working in close harmony which is reflected in their work in the school room.

The critical teacher situation referred to last year by Mr. Fuller will be even more critical as time goes on creating an even more serious problem for school executives.

I hope the citizens of Jackson will make the life of their teachers so pleasant that they will desire to return for another year. Let them know that you appreciate the work they are doing.

The following are attending Kennett High School: Daniel Dinsmore, Florence Flint, Carroll Kelley, Janett Kelley, Shirley McInnis, Robert Meserve, and Gloria Nutter.

The usual statistical data and the report of Mrs. Hester Bemis, school nurse, are printed elsewhere in this report.

Respectfully submitted,

WESLEY H. DOUGLASS,  
Acting Superintendent
